My children and I often visit cultural sites or events (e.g. cultural festivals) in our country and/or abroad.

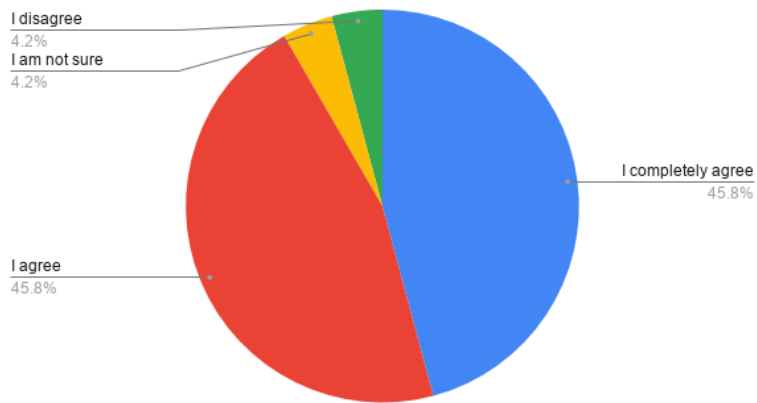

My children have opportunities at school to meet our cultural heritage.

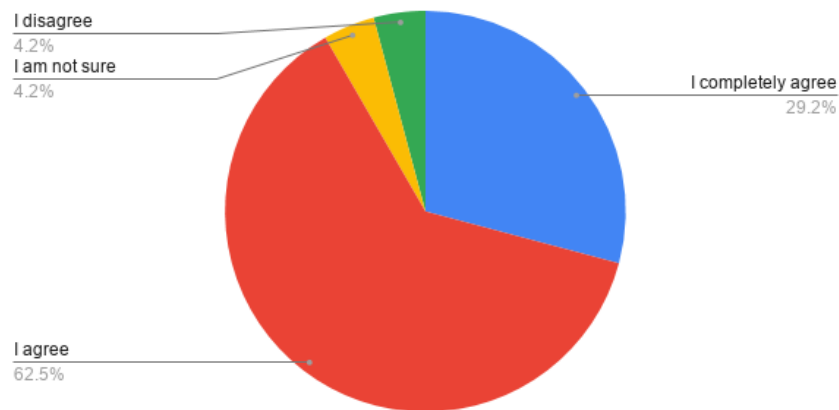

I believe the cultural heritage is significant for our children future.

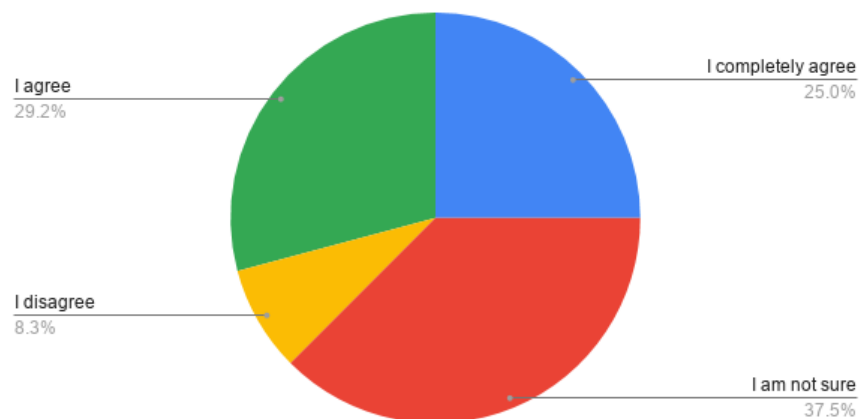

The cultural heritage must be a part of the curriculum.

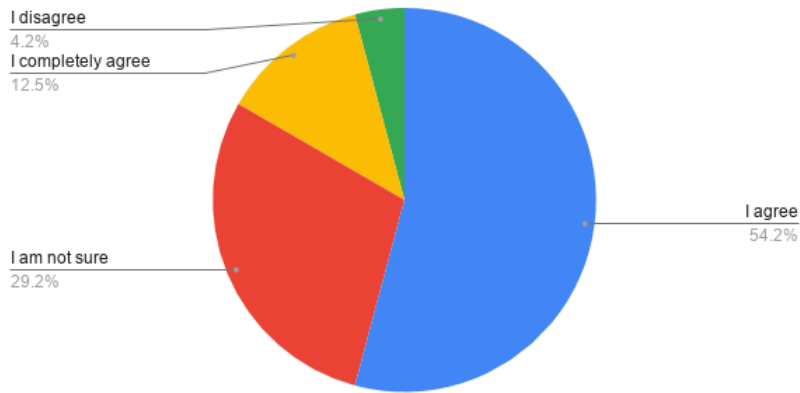

My children at school participate in activities that promote their interests and skills.

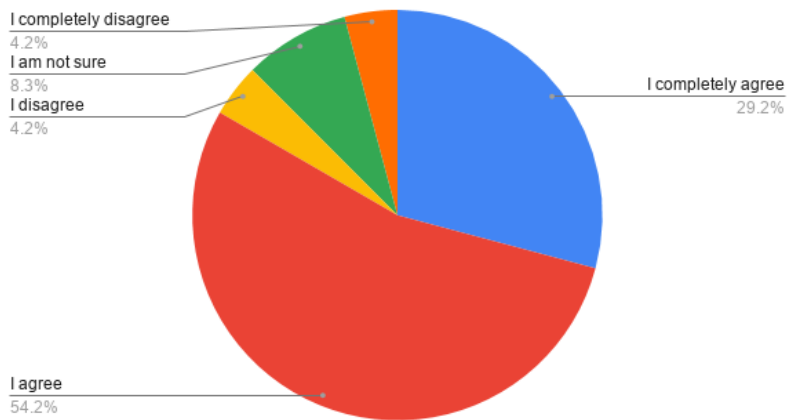

My children mention that they have some responsibilities in class.

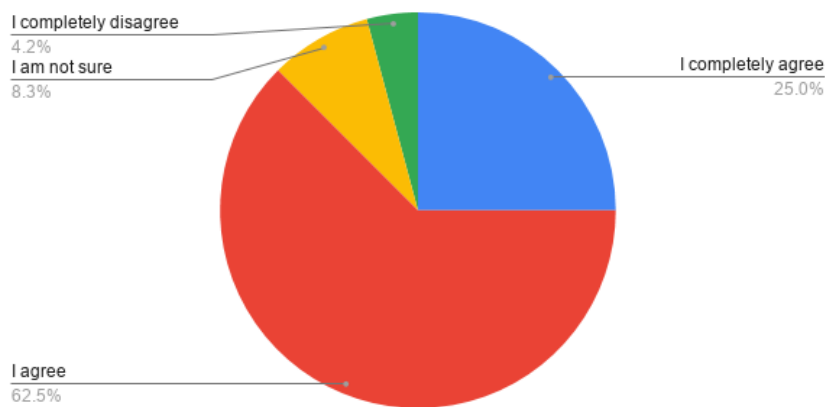

My children mention that they have some responsibilities at school.

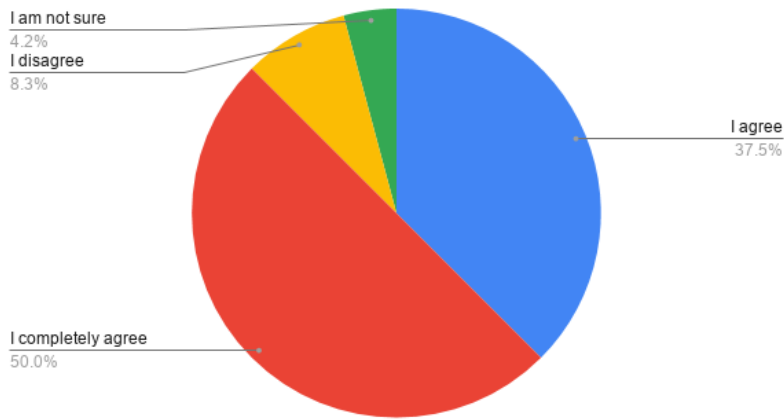

I participate in events or lectures organized at the school.

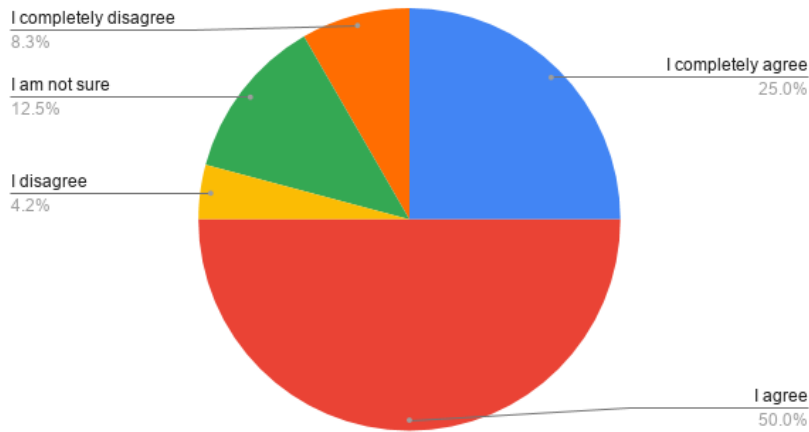

I use the school webpage to find out about events and activities.

I read daily the announcements sent home from school.

I voluntarily participate in school events.

Cultural Heritage of a people can create new job positions.
